

A WOMEN'S INITIATIVE

Her Next Chapter

*Rooted in Faith. Equipped for Purpose.
Ready for What Comes Next.*

Her Next Chapter is a women's initiative of Favor Forward Foundation created to support women as they navigate meaningful transitions and take practical steps toward a more stable, independent, and purpose-filled future.

We believe a woman's story is never limited to where she has been. **With Christ at the center, every chapter can begin again.** Through faith, encouragement, practical resources, mentorship, and community, Her Next Chapter helps women strengthen their confidence and move forward with purpose.

WHO WE SERVE

Experience ready for a new direction.

Her Next Chapter is designed for adult women who are ready for a new direction. This may include women re-entering the workforce or changing careers, returning to or completing their education, working toward greater financial stability and independence, or exploring responsible entrepreneurship.

Rather than focusing only on a woman's circumstances, we consider her **goals, barriers, strengths, and the next step she is working toward.**

HOW WE HELP

Christ at the center. Four practical pathways.

Career Transition & Training

Encouragement and resources for women pursuing new career opportunities, training, certifications, or continued learning.

Education Completion & Lifelong Learning

Encouragement and resources for women pursuing education, training, certifications, or continued learning.

Financial Independence & Stability

Practical education and support to strengthen financial knowledge and work toward greater stability.

Personal Growth & Empowerment

Resources to develop self-awareness, confidence, and skills to achieve personal goals.

MORE THAN RESOURCES - A COMMUNITY

Six ways to move forward.

Her Next Chapter is designed to support women throughout the journey, not simply provide a resource and send them on their way.

01	Chapter One Workshops	Skills + confidence
02	Turn the Page Mentoring	One-to-one guidance
03	Next Chapter Awards	Recognition + support
04	Rooted in Christ Circles	Scripture + prayer
05	She Wrote It Forward	Stories + community
06	Her Next Chapter Summit	Annual connection

Workshops can include **faith and identity in Christ, career skills, and financial literacy**, with both in-person and virtual opportunities envisioned for the program.

NEXT CHAPTER AWARDS

Sometimes the next step is clear, but a practical barrier stands in the way.

Next Chapter Awards are intended to help eligible participants overcome those barriers and invest in a clearly defined education, career, or entrepreneurial goal. Approved support may include education expenses, training fees, responsible business startup costs, and childcare support.

FAITH AT THE CENTER

Purpose, made practical.

Her Next Chapter is grounded in the belief that lasting growth involves more than reaching the next milestone. **Christ is at the center of our work.**

Our approach is built around faith, practical participant-centered support, sustainable empowerment and independence, and community collaboration. We want women to leave not only with additional resources, but with greater confidence, stronger skills, meaningful connections, and a clearer sense of purpose.

"Her story is still being written. Through Christ, she can heal, grow, rebuild, and walk boldly into the purpose God has placed before her."
